Hannah and Benji: in the Garden

A Message from Nan

Did you know that the month of July is filled with special days? Starting with Canada Day on July 1 and Independence Day on July 4, the celebration is just beginning. There is Graham Cracker Day, Sugar Cookie Day, Strawberry Sundae Day, World Chocolate Day, Ice Cream Day, Lollipop Day, and the list goes on and on. Are you hungry yet?

Well, let's take a break and eat some graham crackers while resting in the hammock on National Hammock Day in the garden and maybe doing a little appliqué. You will enjoy our new BOM that includes a cute appliqué called **Hannah and Benji: in the Garden**. Now, who doesn't love a dog in the garden?

Wouldn't you know that July has a National Mutt Day? But if you are not a dog person, then a kitten is "purrfect" in the garden on National Kitten Day.

What better greeting to the garden than pineapples, so make this delightful **Pineapple Wall Hanging** to welcome your guests and treat them to piña colodas and avocado dip to enjoy on their national days.

But let's explore what else is in the garden. I am finding **Irish Blooms**, which are lovely. These will look so pretty adorning your picnic table. You can serve hot dogs and french fries on their national days and end up with a hot fudge sundae on another special day which just may become everyone's favorite day.

But don't forget we are continuing our other BOM's, **Quilter's Progress**, **Basket Block** and **One is Like the Other**. You can enjoy some wine and cheese (yes, there is a day) or Cheesecake (another one) if you prefer something sweet while solving these mysteries.

And one more celebration, find the bear in this issue and give him a click for a special treat. Enjoy your month and be safe. Speaking of safe, National Pet Safety Day is this month, so please make sure to keep your pets safe, especially with all the firecrackers and fireworks.

Until next time,

Nan Baker

Our Commitment to Our Readers and to Quality

Here, at *The Quilt Pattern Magazine*, we are committed to bringing you top-quality patterns that you can depend upon. Our designers are required to have completed their original quilts and to have their patterns tested before submitting them to us. Our team of editors (who are all quilters, too!) then format the patterns (retaining national spellings) and send them out for testing again. Our testers follow the directions from beginning to end, making the entire top (not just a few blocks), including multiple sizes when necessary, to ensure that the materials list, directions, illustrations, and templates are all accurate.
